

Scheyer **Grading Scale**

Achievement levels		Notes and explanation
4	Above expectations	Evidence of achievement of standards from the grade level above. Requires intervention or modification of assignments to ensure continued growth.
3	Has achieved expectations	Has achieved the expectations for developing this standard this term. Will likely achieve the standard by the end of the year.
2	On-track to achieve expectations	Has not achieved the expectations for developing this standard this term, but is making enough progress. With continued attention will likely meet expectations next term, and achieve the standard by the end of the year.
1	Not on-track to achieve expectations	Has not achieved the expectations for developing this standard this term, and not making enough progress. Will require intervention and additional time and attention to achieve the standard.
